ORDER

This matter is before the court on the defendant, Juan Carranza's unopposed Motion to Continue Trial [76]. Counsel needs conduct plea negotiations and explore the safety valve sentencing reduction. For good cause shown,

IT IS ORDERED that the Motion to Continue Trial [76] is granted, as follows:

1. The jury trial, **for all defendants**, now set for December 9, 2019, is continued to **January 21, 2020**.
2. In accordance with 18 U.S.C. § 3161(h)(7)(A), the court finds that the ends of justice will be served by granting this continuance and outweigh the interests of the public and the defendants in a speedy trial. Any additional time arising as a result of the granting of this motion, that is, the time between **today's date and January 21, 2020**, shall be deemed excludable time in any computation of time under the requirement of the Speedy Trial Act. Failure to grant a continuance would deny counsel the reasonable time necessary for effective preparation, taking into account the exercise of due diligence. 18 U.S.C. § 3161(h)(6), (7)(A) & (B)(iv).

DATED: November 14, 2019.

United States Magistrate Judge**
